For instance, cancer procedures and treatments, or cataracts and/or glaucoma diagnostic testing or surgery, require twelve (12) months of continuous membership, while colonoscopy requires six (6) months. Within the first 24 months of continuous membership, Maternity sharing is limited to \$5,000 and pre-existing conditions are ineligible. Full Limited Sharing Eligibility is outlined in the Member Guide.

Refer to the Member Guide or Program Details document for more information. Members are always personally responsible for their own medical bills.

## Glossary

---

**ANNUAL MEMBER CARE SHARE (AMCS)** – The amount the Sharing Member commits to contributing prior to member-to-member sharing of eligible Medical Needs, each calendar year based on their Sharing Program. The calendar year starts on January 1 and continues through December 31. Some benefits received from Participating Providers are not subject to the AMCS, and only require a consult fee. AMCS must be met for each individual sharing member within a calendar year, including those sharing members that are considered dependents.

**ANNUAL MEMBER CARE SHARE MAXIMUM** – The most a Sharing Member must contribute toward eligible medical services in a calendar year. After each Sharing Member contributes this amount, the health share program facilitates sharing payments for 100% of the eligible medical costs. Monthly Contribution Amount (MCA) contributions are not included in the Annual Member Care Share Maximum.

**ANNUAL PHARMACY SHARE LIMIT** – The maximum amount any UHSM program will share, per member per year, for eligible pharmacy services.

**CONSULT FEE** – A fixed amount paid by a Sharing Member to the Participating Provider at time of medical service(s).

**ELIGIBLE** – A status indicating that you have met the conditions that qualify for sharing as described in the Member Guidelines, and your Medical Needs fall within the parameters of the Sharing Program.

**MATERNITY** – A Sharing Member's Medical Needs or newborn child's Medical Needs relating to prenatal care and newborn delivery.

**MEDICAL NEED(S)** – Charges or expenses for medical services that are provided by a facility or by a licensed medical professional to address illnesses, accidents, or for a single Sharing Member.

**MEDICALLY NECESSARY** – A service, procedure, or medication necessary to restore or maintain physical function and is provided in the most cost-effective setting consistent with the Sharing Member's condition. The fact that a medical professional may prescribe, administer, or recommend services or care does not make it medically necessary, even if it is not listed as a Membership Limitation or an ineligible need in the Member Guidelines. To help determine medical necessity, UHSM may request the Sharing Member's medical records and may require a second opinion from a Participating Provider.

**MEMBER CO-SHARE** – After AMCS has been met, the fixed percentage or cost of Medical Needs the Sharing Member has committed to paying, thus limiting the amount other Sharing Members' contribute towards the total expense/ cost of the Eligible Medical Needs.

**MEMBER GUIDE / GUIDELINES** – A document provided to Sharing Members, reciting the agreed to Sharing Member Commitments, outlining eligible and ineligible medical needs, and to help Sharing Members understand how Monthly Contributions are shared in accordance with the membership's Escrow Instructions.

**NON-PARTICIPATING PROVIDER** – A healthcare facility or medical professional not part of the UHSM approved care provider network, and thus ineligible for sharing.

**PARTICIPATING PROVIDERS** – In-network medical care professionals or facilities under contract with UHSM to help limit medical costs for its Sharing Members. Participating Providers can be found at [www.uhsm.com/doctors](http://www.uhsm.com/doctors). *Please Note: When searching for participating providers, please note that any result provided is for reference only; as participating physicians, hospitals and/or healthcare providers may have changed since a source directory was updated. Always confirm network participation and provide your UHSM Member ID card prior to scheduling an appointment and before services are rendered.*

**PRE-AUTHORIZATION** – A restriction placed on certain medications, tests or health services that requires Members and Providers to first check with UHSM, and be granted permission, before becoming eligible for sharing.

**PRE-EXISTING CONDITION** – Any medical condition for which you have been diagnosed, shown symptoms, been examined and/or received treatment prior to becoming an active Sharing Member of UHSM – whether known to you or not – is considered a pre-existing condition and not eligible for sharing during the first 24 months of continuous membership; unless otherwise specified.

**SHARING MEMBER** – Those who have applied to become a Sharing Member and agreed with the Statement of Faith and Shared Beliefs, the Sharing Membership Commitments, and the Escrow Instructions. Sharing Members must choose a Sharing Program, submit scheduled Monthly Contributions, and are not be ineligible for any other reason (including age restrictions). Sharing Members may submit Eligible Medical Needs for sharing in conjunction with the Member Guidelines, the specific Sharing Program and the Escrow Instructions.

**SHARING PROGRAM** – UHSM Sharing Programs are available with varying levels of Annual Member Care Share (AMCS) amounts and Maximums, as selected and approved on the Membership Enrollment Application.

**SHARING PROGRAM DETAILS** – A summary of a Sharing Program's benefits for eligible sharing, including any limits or AMCS, Member Co-Share amounts, and Share Maximums.
