

# Gold Sharing Program Overview

## Sharing Program

This Gold Sharing Program Overview shows the amount eligible for sharing for eligible Medical Needs under the UHSM Health Sharing Program. It is only a summary. Please read all your member materials carefully to fully understand your Sharing Program's benefits.

UHSM Health Sharing Programs use a specific network of participating healthcare providers; for your program this is First Health® PPO Network, a subsidiary of Aetna, Inc. UHSM is not authorized to share the charges submitted by a Non-Participating Provider except for emergency situations. You can find a list of Participating Providers for your program at <http://firsthealthlbp.com>

Access to **95%+** of the doctors & hospitals in the nation
